

Lynx Open Call for Art Writers

The Lynx Open Call aims to promote independent art writers and to give them space in our biannual print magazine to present their writing to a wide, international audience. Our editorial staff will choose three articles which will be published in the next issue 2(12)2019 that will be released in October 2019.

We welcome complete articles for consideration on the following topics:

Why it's hard to begin a green journey and how designers can help us to start?

Portrait of a planet on the verge of climate catastrophe. Artistic visions of the post-apocalyptic world.

Unfreezing habits. Can the arts change our patterns of consumption? (meat consumption and veganism)
